

Sunday School Newsletter

St. John the Baptist Norway

October 2019

With faith the size of a mustard seed, spiritual fruits can grow.

5 October

Blessing of the Animals

13 October

Thanksgiving Sunday (bring non-perishables for food bank)

26 October

Toronto Argonauts Game

In September we had a lot of fun considering how to value relationships over material things, recognize others' needs before our own and how even a tiny amount of faith can be put into action.

We've had several parents helping out each week, so a big thank you to all the volunteers!

Jason Hames especially has gone over and above, bringing in his fancy avatar app, stop-motion camera skills and even green screen technology to help us create fun videos of the gospel lesson. The videos that are animated will eventually be posted online (no videos of the children themselves will be posted). Thanks Jason!!

13 October – Thanksgiving Sunday

Children are invited to bring non-perishable food to the front altar during the children's chat. These will then be donated to a local food bank. If anyone is interested in decorating the church, please swing by on Saturday 12 October between 9-11am. (There will be corn stalks and pumpkins from the Church's Youth Garden being used for display, and some lucky people may be able to take them home afterwards if interested!)

26 October – 4pm Argonauts Football Game @ BMO Field

St. John's is planning a group outing to watch the game against the Ottawa Redblacks. \$22 per ticket. Please contact Benjamin Gillard for further details curate@stjohnsnorway.com

And what's ahead...?

- 23 November: **Annual Christmas Craft Sale & Sunday School Bake Sale**
- 22 December: **Christmas Pageant**

Wishing everyone a very Happy Thanksgiving!
